

ACTIVATE

LEADERSHIP PROGRAM

Since 2006 the Committee for Geelong (CfG) has developed leadership programs to support Geelong's transformation into a world-class place by developing the capacity and influence of regional leaders.

“Activate has reinvigorated my appetite for learning; a theme that has stuck with me throughout was ‘lifelong learning is essential,’
- Lucy O' Reilly, Manager - Corporate Operations, Gforce Employment Solutions
Activate #1 /2016

Visit www.committeeforgeelong.com.au and follow the links to complete the Activate Application Form.

Contact the Leadership Co-ordinator Janelle Meyes, on **5227 8073** or janelle.meyes@committeeforgeelong.com.au to discuss program requirements.

WHAT IS ACTIVATE?

Activate is an opportunity for emerging leaders to explore the foundations of leadership and gain confidence, knowledge and skills. The program will lift their leadership capacity and contribution for personal, professional and community benefit.

Participants develop strategic understandings of the challenges facing the Geelong region and have access to information, speakers and physical spaces not usually available to the general public.

Participants will be inspired, challenged and supported throughout the program, as they identify their strengths and learn how they can best leverage them for leadership impact.

WHO SHOULD APPLY?

- High potential team members (paid and unpaid staff) who may not have had access to formal leadership development opportunities.
- Active community members (in paid or unpaid roles) who want to develop their leadership capacity and increase connections with other sectors in the region.
- Emerging or recently appointed team leaders, managers and supervisors who would benefit from developing their leadership potential.
- Team members with decision-making responsibilities but limited experience in leading people.

Program structure:

The program is approximately 45 contact hours over 8 consecutive weeks through full day and half day events. The content is based on the CfG's leadership model which focusses on developing three leadership domains: individual, organisational and community.

Activate #5

3 May 2018 - 21 June 2018
